YourWay ICHRA
Powered by ONEBRIDGE

Congratulations! You've elected the YourWay ICHRA benefit and selected a plan that best fits your needs! To complete your enrollment, there are a few final steps.

The guide below outlines what to expect and what actions you need to take to finalize your enrollment.

Your elected carrier: **United Healthcare | Florida**

ONE

Your Initial (Binder) Payment

OneBridge will make this payment on your behalf.

However, you'll be responsible for managing and making all future monthly premium payments directly with your insurance carrier.

TWO

Receive and Activate Your OneBridge Visa Benefits Card

If you don't already have a card, you will receive one in the mail.

If you are an existing participant switching carriers, you can continue using your current card.

THREE

Set Up Recurring Payments

After your plan's effective date, visit **myUHC.com/exchange** to set up recurring payments using your OneBridge Visa Benefits Card.

Alternatively, you can call **1-866-569-3468**.

Important: To keep your coverage active, we strongly encourage to set up recurring payments with your insurance carrier to pay your premiums on time. Missing payments will result in termination of your insurance for the rest of the year.
