

What's Next?

Congratulations! You've elected the YourWay ICHRA benefit and selected a plan that best fits your needs! To complete your enrollment, there are a few final steps.

The guide below outlines what to expect and what actions you need to take to finalize your enrollment.

Your elected carrier: **Common Ground Healthcare Cooperative**

ONE

Receive and Activate Your OneBridge Visa Benefits Card

If you don't already have a card, you will receive one in the mail.

If you are a current participant and changing carriers, you can use your existing benefits card.

TWO

Confirm Your Card Has Been Funded

You will receive an email notification once funds are available on your card to make payment.

You can also log in to portal.yourwaybenefits.com to check the status.

THREE

Make Your Initial Payment

Using your OneBridge Visa Benefits Card, pay online at **commongroundhealthcare.org**. Select **Pay My Premium > Pay My Premium Portal > Activate/Create Account or Log In**. Or, call **(877) 514-2442**.

Payment must be made before your plan's effective date.

FOUR

Set Up Recurring Payments

After coverage is activated, set up recurring payments online at **commongroundhealthcare.org**.

Important: Your coverage will not start unless you make your initial payment. If this payment isn't made, your application will be voided.

To keep your coverage active, be sure to pay your premiums on time or set up recurring payments – missing payments will result in termination of your insurance for the rest of the year.
