

# What's Next?

**Congratulations!** You've elected the YourWay ICHRA benefit and selected a plan that best fits your needs! To complete your enrollment, there are a few final steps.

The guide below outlines what to expect and what actions you need to take to finalize your enrollment.

**Your elected carrier: Fidelis**

## ONE

### **Receive and activate your OneBridge Visa Benefits Card**

If you don't already have a card, you will receive one in the mail.

If you are a current participant and changing carriers, you can use your existing benefits card.

## TWO

### **Confirm Your Card Has Been Funded**

You will receive an email notification once funds are available on your card to make payment.

You can also log in to [portal.yourwaybenefits.com](https://portal.yourwaybenefits.com) to check the status.

## THREE

### **Make Your Initial Payment**

You will receive an invoice from Fidelis for your first two months of coverage. You must pay for the first month of coverage (half the invoice) before the policy effective date.

Payments can be made at **[members.fideliscare.org](https://members.fideliscare.org)** using your OneBridge Visa Benefits Card.

## FOUR

### **Set Up Recurring Payments**

Set up autopay during your initial payment at **[members.fideliscare.org](https://members.fideliscare.org)**. Autopay schedules your monthly premium to be paid automatically on time

If you need assistance, please call (888)343-3547.

**Important:** Your coverage will not start unless you make your initial payment. If this payment isn't made, your application will be voided.

To keep your coverage active, be sure to pay your premiums on time or set up recurring payments – missing payments will result in termination of your insurance for the rest of the year.
