

What's Next?

Congratulations! You've elected the YourWay ICHRA benefit and selected a plan that best fits your needs! To complete your enrollment, there are a few final steps.

The guide below outlines what to expect and what actions you need to take to finalize your enrollment.

Your elected carrier: **Highmark Blue Cross Blue Shield | New York**

ONE

Receive and Activate Your OneBridge Visa Benefits Card

If you don't already have a OneBridge Visa Benefits Card, you will receive one in the mail.

If you are a current participant and changing carriers, you can use your existing benefits card.

TWO

Confirm Your Card Has Been Funded

You will receive an email notification once funds are available on your card to make payment.

You can also log in to portal.yourwaybenefits.com to check the status.

THREE

Make Your Initial Payment

Review your Highmark Invoice for the total amount due.

Using your OneBridge Visa Benefits Card and Social Security Number, make your initial payment at **(855)344-3425** or use the **link** in the email received after completing your enrollment.

FOUR

Set Up Recurring Payments

After your plan effective date, visit **highmark.com** and select **Member Login**. Register using the ID number listed on your card, then choose **Pay Premium** to set up recurring payments with your OneBridge Visa Benefits Card. For questions, call **Highmark Member Services** at the number on your ID card.

Important: Your coverage will not start unless you make your initial payment. If this payment isn't made, your application will be voided.

To keep your coverage active, be sure to pay your premiums on time or set up recurring payments – missing payments will result in termination of your insurance for the rest of the year.
