

What's Next?

Congratulations! You've elected the YourWay ICHRA benefit and selected a plan that best fits your needs! To complete your enrollment, there are a few final steps.

The guide below outlines what to expect and what actions you need to take to finalize your enrollment.

Your elected carrier: **Anthem | Ohio**

ONE

Receive and Activate Your OneBridge Visa Benefits Card

If you don't already have a OneBridge Visa Benefits Card, you will receive one in the mail.

If you are a current participant and changing carriers, you can use your existing benefits card.

TWO

Watch For Your Application

Once your account has been funded, you will receive a text message notifying you that your application has been sent to your email.

Please keep an eye on both your email inbox and text messages for updates.

THREE

Complete and Submit Your Application

Open the email, review the application, and sign the document as needed.

In the payment section, enter your OneBridge Benefits Card information to make your initial payment.

FOUR

Set Up Recurring Payments

To enroll in recurring payments, check the auto-pay box on the application.

If you skip this step, you can still set up auto-pay later by logging into your portal at **anthem.com**.

Need help? Call Member Services at **(855) 330-1104**.

Important: Your coverage will not start unless you make your initial payment. If this payment isn't made, your application will be voided.

To keep your coverage active, be sure to pay your premiums on time or set up recurring payments – missing payments will result in termination of your insurance for the rest of the year.
