

What's Next?

Congratulations! You've elected the YourWay ICHRA benefit and selected a plan that best fits your needs! To complete your enrollment, there are a few final steps.

The guide below outlines what to expect and what actions you need to take to finalize your enrollment.

Your elected carrier: [Select Health | Colorado](#)

ONE

Receive and Activate Your OneBridge Visa Benefits Card

If you don't already have a OneBridge Visa Benefits Card, you will receive one in the mail.

If you are a current participant and changing carriers, you can use your existing benefits card.

TWO

Confirm Your Card Has Been Funded

You will receive an email notification once funds are available on your card to make payment.

You can also log in to portal.yourwaybenefits.com to check the status.

THREE

Make Your Initial Payment

Visit selecthealth.org/premium-payments and use **Quick Pay** (no login required) to submit your first/binder payment with your OneBridge Visa Debit Card.

If you already have an account, log in and select Pay Now.

Need help? Call member support at **(801) 442-7778**

FOUR

Set Up Recurring Payments

- Log in or create an account at selecthealth.org/premium-payments.
- Go to **Billing/Payments** and select **Autopay/Recurring Payments**
- Add your OneBridge Visa Debit Card, choose date, and save

Note: Autopay may take 5-7 days after enrollment to become available; call member services if you don't see the option.

Important: Your coverage will not start unless you make your initial payment. If this payment isn't made, your application will be voided.

To keep your coverage active, be sure to pay your premiums on time or set up recurring payments – missing payments will result in termination of your insurance for the rest of the year.
